Date Signed _____

The Trek Center building was completed as part of the upgrade of Camp Pioneer in 2000. It serves as the headquarters for Massawepie's popular Adirondack Trek program. The Trek Center is also the home of the Mountain Fox High Adventure program for older Scouts whose troops are in Camp Pioneer. The staff based at the Trek Center also provides guidance and logistical support for trail trips on Massawepie's 3700+ acres, which include 15 miles of trails, 9 ponds and Massawepie Lake.

Camp Background: The Seneca Waterways Council, Boy Scouts of America, operates the Massawepie Scout Camps (opened in 1952) near Tupper Lake in the Adirondack Mountains of New York State to serve Boy Scouts from the Rochester/Finger Lakes region and beyond. In 2000, after a successful capital campaign, Camp Pioneer at Massawepie was extensively refurbished, reopened and now serves over 1800 Boy Scouts each summer.

Council Background: The Seneca Waterways Council, BSA serves youth of Monroe, Ontario, Seneca, Wayne, and Yates Counties in New York. The Council was formed in 2009 as a result of the merger of the previous Otetiana and Finger Lakes Councils.

THE TURNER TREK CENTER:

Honoring 100+ Years
of Staff Service
at Massawepie
by the
Turner Family

A Project of the
Massawepie Staff
Alumni Association

Strong camp staffs

have been the key to Massawepie's reputation as a quality summer camp over the years. The Massawepie Staff Alumni Association has previously recognized long-time, extraordinary staff members by supporting the *Loren Hakes Campfire Circle* and the *Ray and Addy Meyering Rifle Range* at Massawepie.

Now, the Alumni Association needs your help to recognize the *Turner Family*

for their many years of staff service to Massawepie. Since 1972, there have been Turners on staff for at least 40 summers, with a total of over 100 years of service! **Gerry and Doris** became the recognized faces of the Warehouse and the Pioneer Kitchen in the 1980s. **Doug Turner** is known throughout the Adirondacks for his leadership of the popular Massawepie Trek Program since 1988, with the assistance of his wife **Laura** since 1997.

The plan: The Alumni Association will raise \$25,000 in order to name the existing Massawepie Trek Center for the Turner family. (A typical donation for naming the Trek Center would have been at least \$75,000 but the council has agreed to \$25,000 in view of the Turners' service.) All donations will go into the Massawepie Square Foot Endowment Fund, which is invested, with earnings used to fund future camp equipment and maintenance needs.

Turners on Massawepie Staff

Gerry Turner

1980-82: Forester Quartermaster
1983-90: Central Warehouseman

Total Years...11

Doris Turner
