Dear Valued Guest,

For your convenience a map of the area is attached. Please enter the East End garage using the Swan St. Entrance. You can access Swan St. from either East Ave. or Main St. (Marked on attached map). You will find the most convenient parking on levels 1, 5 & 6 on the Swan St. side, inside the garage. Please use the Swan St. elevator (not the Scio St. elevator). For your convenience it is best to avoid parking on levels 3 & 4 since there is no access to the Swan St. elevator from those 2 levels.

The Swan St. elevator is fully handicapped accessible also. The Rochester Club Ballroom is located at the corner of East Ave. & Swan St. The Main entrance for the ballroom is on East Ave. The Handicapped accessible entrance for the ballroom is located on Swan St.

Enjoy your evening!!!
