

Contributors at the **\$10,000, \$5000** and **\$1000** levels will be listed on a bronze plaque at the new rifle range. Contributors at the **\$250** level will be displayed on a wooden plaque at the range. All contributors of **\$50** or more will receive a special recognition pin. A listing of all contributors will be given to the Meyerings.

An individual gift may be recognized both separately and as up to 20% of a group's total at a higher level. For example, a troop with three \$250 gifts and four \$100 gifts from members would also be listed as a \$1000 group donor. If you are donating as part of a group, please list the group here:

**Sketch Map of Rifle Range location**

**Sketch Floor Plan of Rifle Range**  
(main slab dimensions 20'x80')

**Budgeted costs:**

Engineering & Design	\$ 4,400
Site work incl. 16' berm	\$29,700
Foundation & concrete pad	\$28,800
Utilities	\$ 5,500
Building materials	\$18,600
(carpentry by volunteers)	
Additional Rifles	\$ 2,000
Contingency	<u>\$ 1,000</u>
Total	<u>\$90,000</u>

The Ray and Addy  
Meyering Rifle Range  
at Massawepie's  
Camp Pioneer

**Camp Background:** The Otetiana Council, Boy Scouts of America, operates the Massawepie Scout Camps near Tupper Lake in the Adirondack Mountains of New York State to serve Boy Scouts from Rochester and Monroe County. In 2000, after a successful capital campaign, Camp Pioneer at Massawepie was extensively refurbished and reopened. Camp Pioneer now serves over 2100 Boy Scouts each summer.

**Need for a new Rifle Range:** A rifle range for teaching firearm safety is a standard part of the Boy Scout summer camp program. When Camp Pioneer was reopened in 2000, budget constraints prevented the construction of a rifle range. Since then, Scouts have been walking or getting rides to an old rifle range in the former Camp Mountaineer. The small size of this range, and its distance from camp, has prevented many Scouts from using the camp's safe shooting program.

**The plan:** A new rifle range will be constructed at the edge of Camp Pioneer. The new range will have 16 firing points, twice the capacity of the Mountaineer range. Construction will begin in 2003. The range is expected to be fully operational for the 2004 season, assuming adequate funds are raised for construction.

**Naming:** The new Camp Pioneer rifle range will be named for Ray and Addy Meyering, who are long-time Massawepie staff members.

Ray Meyering worked at the former Warren Cutler summer camp in Webster before Massawepie was purchased, and then worked on the 1952 Massawepie staff before becoming a New York State trooper. After retiring from the State Police, he became the Camp Forester rifle range director in 1980.

Ray has directed Massawepie rifle ranges each summer since then, at Camp Forester through 1994, then at Camp Mountaineer until the reopening of Camp Pioneer in 2000.

Addy has worked at Massawepie with her husband most summers since 1980, first in the Trading Post or Handicraft area and most recently assisting at the rifle range.

Ray and Addy have been associated for years with Troop 111 in Brockport.

**How can I help?** Donations are needed to cover the budgeted construction costs of \$90,000. Your gift is important to make this project happen for future Camp Pioneer Scouts, and to recognize the Meyerings for their many years of service to Massawepie. Gifts from individuals, Scout troops, businesses, and sporting clubs will all be needed to make this new rifle range a reality.
