Dear Mr. Wellington:

Glad to have your letter of July 14 advising that you would appreciate having the locomotive bell which the Baltimore and Ohio donated to St. Stephen's Church in Rochester at the request of Mr. Samuel E. Grover.

In line with my letter to Mr. Grover of July 5, responding to statement he sent me that the church would not have any use for the bell, I now authorize you to secure the bell from Mr. Grover, for your Boy Scout camp, and him to give it to you. Furthermore, I'm sending him a copy of this letter.

Most of these old locomotive bells have lovely tone and I trust that this little part of the B & O will be enjoyed by your campers for many years to come.

Sincerely yours,

RMV:HHC

CC - Mr. Samuel E. Grover
